“ Hello Family,
We regret that we could not be at your side in your time of sorrow. Your loss is great and a link our chain has been compromised but I'm confident we will recover and our future paths will soon be bright once a again. Reggie has always been a model of courage and practicality for me and I will miss him.

... Though in Alaska, we are always a phone call away.

“ Reggie was like a brother to my father and someone I've known and welcomed for over half of my life. He will be missed more than mere words can describe. There is nothing that I can say that will ease the unimaginable pain that you feel, but as you begin to lean on the Lord He will comfort you. Know that God is with you always and Mr. Hampton is in God's mighty hands. May the precious memories of a wonderful and loving father, husband, brother, uncle and son bring you smiles and joy on difficult days.

With deepest sympathy,
God Bless##imported-begin##Apyrl Smith##imported-end##

“ *My Uncle Reggie was always my favorite person. Growing up he would always take Ryan and I to do the most fun things, like teaching us to drive, playing pinball, and going to the movies. Reggie was like a big brother as well as an uncle to both of us. I will miss him dearly, and love him always !!##imported-begin##Nicole Mack##imported-end##*

“ I was saddened to hear about Reggie. He was a man that lived life to the fullest....and for that I am grateful. From the years we spent as neighbors and friends and family I have always been glad to see him come and felt a bit empty when he left. My thoughts and prayers are with you all.

Angie, Jazzmine and D'Juan Though we haven't spent a great deal of time together I am praying for your peace or mind. Carolyn and Wanda, this is so sad but you will make it. Y'all just keep thinking of his smile and laughter. Keep his memory alive by following his style

GOD BLESS

Here is a poem author unknown that I sign my e-mail with. It might give you some comfort:

I WISH YOU ENOUGH

I wish you enough sun to keep your attitude bright no matter how gray the day may appear

I wish you enough rain to appreciate the sun even more

I wish you enough happiness to keep your spirit alive and everlasting

I wish you enough pain so that even the smallest of joys in life may appear bigger

I wish you you enough gain to satisfy your wanting###imported-begin###David and Pearline Burkette###imported-end###
