“ *Mr. Ricardo David Leslie Jr.*

January 21, 2023 at 09:34 PM

“ *I was so sorry to read of the lost of your dear loved one. It seems so unfair that death should have the power to take away someone we love. And when it happens, the thought of never again being able to talk, to laugh with our loved one can be most difficult to bear. Many are resting now, until their name is called in the “resurrection”. Oh yes, Jesus Christ boldly promised: “The hour is coming in which all those in the memorial tombs will hear his [Jesus’] voice and come out.” (John 5:21, 28, 29) Since Jesus made the promise, it is safe to assume that he is willing and able do so. His father, Almighty God has promised us at Revelation 21:4, “he will wipe out every tear from their eyes and Death will be no more.....” May you find comfort and faith in these scriptures for he “cannot lie.” (Titus 1:2)##imported-begin##Dorothy Boyd-Carroll##imported-end##*

“ I am so sorry to read of the loss Ricardo David Leslie Jr. The Bible describes death as our enemy, but our Loving God promises to undo the tragic effects of death. In John 5:28,29, God promises to resurrect our loved ones back to life. We can look forward to a time when death and pain will be no more. Rev.21:4 May God be your true source of comfort and hope during this difficult time and may you receive the comfort you need to endure the days ahead.##imported-begin##Geneva McClendon##imported-end##

“ May the hope at Isaiah 25:8 bring the Leslie family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##

“ It's impossible trying to sum up 20 years into a few words, so I won't. We had some great times and I'll always cherish those memories and be thankful for having such an amazing friend, your presence impacted everyone you encountered. But I'll always remember the "wise cracking remarks" or your signature laugh. I'm certain to never again have a friend quite like you. I refuse to ever say "Goodbye", so I'll just simply say later... R.I.P Ricardo "Juice", you will be truly loved and missed...##imported-begin##Danon Kyle##imported-end##

“ Its hasn't been a minute that hasn't gone by that I haven't thought about you. Its just taking a minute to realize that you are actually gone and gone the way everyone says you are gone, it just doesn't add up. Everyday that went by and we spoke, all we did was cracked jokes and laugh about what was "coming through" the block oh and out favorite those damn "squirrels" lol which might I add the mother died a few days ago im assuming that it was either a heart attack or she fell off our "neighbors" top porch lol she had 3 babies so you were correct so, I guess ill be looking for a certain someone *cough cough* to be bringing out the cat food lol. Everytime I look outside I always look down and to the left because I knew you would always be up sitting on the porch because you never sleep you said (and I thought you knew I didn't sleep either so, you could have always called me to chill with at night if you just wanted to kick it with someone). I always felt like you would watch out for me any my family which I truly do appreciate that and will miss that type of protection. August 31st, 2012 will always be forever stamped into my head because that is the day that I lost my neighbor, hook-up guy lol, but overall a brother because you felt like a older brother to me. If the rumors are true, I hope and pray that you did know that you had me you could talk to about anything and I would never look down on you, criticize you, nor judge you because that isn't my job that's God's job. Whatever that was on your mind and in your heart I guess got the best of you and he was knocking on the door and you let the devil in and I just wish you hadn't opened that door :(.

Whatever pushed you to your breaking point, I hope and pray now that you are set free of those demons and can finally sleep peaceful for once in a very long time!! I just can't accept the fact that 15 minutes before the boom we was talking on the porch as usually and you didn't show any signs that you were thinking about leaving this earth in the matter to which you did. Juice, we love and miss you deeply! Do you remember you always got the "Joneses" if you need anything from down here and I know if we need anything from up there you got our backs for sure!!!! May we meet and chill again in the far far future!!!! And tell Daniel I said "Hey"!!!!##imported-begin##KJ and MacKenzie with special guest ##imported-end##

“ Dear Family: There are few things in life (if any) more painful to us than the loss of a family member, a loved one. That pain can be almost unbearable, striking the core of our very being, and we wonder how we can move on without them in our lives. It is at times like this when we need comfort and support from our family, our friends and others like me who, although not knowing you personally, still care. But most importantly, we need assurance and hope from our Grand Creator that will give us the strength and the courage to move on with our lives confident of better days ahead. Jehovah God assures us of those better days ahead for he promises soon to ‘swallow up death forever’ (Isaiah 25:8) to resurrect our loved ones who have died (John 5:28, 29) and to “wipe out every tear from our eyes” because “...mourning, nor outcry, nor pain (will be) anymore”. Jehovah promises that He’s making “all things new” and not to worry because “these words are faithful and true”. (Revelation 21:4, 5). What a beautiful hope and future Jehovah has placed before us and we are assured again at Titus 1:2 that all he has promised will come true. My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

They all need you at this moment so be sure to always let them know that even though you arent here physically that you are here in spirit. Im definately praying for Mrs. Sharon, Shanay, Michael, Donna, and Phillip and the rest of your family. I know you loved them all so much and would do anything for them.##imported-begin##Tiffany Jones##imported-end##

“ *Its me again ans I dont know how im going to get through this. Im just thinking about all the time we shared. Just smiling at all the times me and you use to play trouble and you would get so mad that I won and our favorite magician show that we use to lay up and laugh at. Im thinking of all the late night calls and text and just talks. Im thinking about all the silly words we would make up to describe stuff that only we knew. It started off as a relationship but you def ended as one of my bestest bestest friends. Im just sitting here reading the card that you wrote me and it hurts. You were the sweetest person ever to me even though we had our days. Thanks for always showin me unconditional love till the end. I dont think you harmed youself intentionally but all I know is I cant wait to see you again so we can pick our friendship right back up. Like you said stay your angel forever you are now my true angel and just continue to watch over me. Ps dont get into to much trouble with Daniel!###imported-begin##Tiffany Jones##imported-end##*

U said that u think somebody threw it n ya backyard to attack the dog lol. So i said so what r u tryna do with it now. You said that u was tryna throw it across the street. I said just pick it up. U said no i dont wanna touch it. I said put some gloves on and just do it. U said lol heck naw u come do it. “ Im so hurt! Juice I love you so much. Weve been through so much together and its so hard to say goodbye to you. You and I instantly connected with each other and youve been in my life for ten yrs. We watched each other grow up. Im going to miss laughing with you and you saying lets get married and cracking jokes with each other. Im going to miss you sitting outside when I left for work and then watching me come home. You always protected me and we had each other back through thick and thin. You trusted me with your life and vice versa. Even though we werent in a relationship anymore you always remained in my heart and we talked about that. Im going to miss you soooo much ive been crying nonstop cause it wasnt supposed to be like this. Im looking at my phone and just remenbering talking to you all last week. You will always hold a place in my heart and I will never get over you not being around. Please watch over me and your family. I love you juicy juice###imported-begin##Tiffany Jones###imported-end##
