“ *Ricky was one of a kind . We met when we were young and he was like family to me. We were very close he would call me on my birthday every year no mater where I was at. Ricky may have look like a bad ass to some people but he was the most sweetest person you will ever know. Ricky mean a lot to me and will be MISSED a lot by every one who knows him.*

*I LOVE YOU RICKY###imported-begin##Venakaye

“ *Rick was one of my very best friends and I will miss him so much! He has always been there to make me laugh when things just didn't seem to go right. I could never be in a bad mood around him. He was always there when I needed him. I have so many memories with Rick. He was always so much fun and he will truly be missed. We love you! Save me a spot in heaven.##imported-begin##Monique LaBrecque##imported-end##*

“ Rick is going to be missed and was loved by so many people! No matter what was going on he would not ever let you be in a bad mood around him at all! I know he helped a couple of my friends get through some very very difficult times before and even after I met him. I still rememeber the first time I met Rick at Just for One about 7 years ago, we got along right away and it was clear that he was loved by everybody and he also loved all of his friends. I still cannot belive this has happened, but he will be taken care of and will be looking over all of us now. I love you Rick!###imported-begin##Ellen Timpo##imported-end##
