“ *Please accept my heartfelt condolences. Death seems so unrelenting and cruel and can make us feel utterly hopeless. May you find comfort and hope from our loving Heavenly Father. The Bible tells us that there is hope for our dead loved ones. It makes this promise: "The righteous themselves will possess the earth, and they will reside forever upon it." Psalms 37:29. You can have confidence in the word of God. The Bible speaks of a resurrection. Because you have confidence in that resurrection your sorrow will not be unrelenting. Rather, you will draw close to God in prayer, and take comfort in the promise that "He (God) himself will sustain you." Psalms 55:22.##imported-begin##V Williams##imported-end##*

“ I’m still going to prays, worship, sing songs to him who have given us life, and health, and wakes us every morning a new person, repented of acts the day before. Thank You GOD who hears my prayers. Lord me and others need mega blessing in our lives, please Lord Jesus Hear our cries! We need you now Lord to put back the peace, and the joy. Heal our broken hearts Jesus. Bless our children. You said no weapon formed against us shall prosper, and by your stripes we are healed, looking for a mighty work this morning lord that only you can deliver.
Lord I am standing praying for the Young family and friends. Ricky my friend, good journey. In Jesus name I pray: AMEN!##imported-begin##Glen Williams C23N##imported-end##

“ Dear Family: The Bible teaches us at John 5:28 ,29. that: "...the hour is COMING in the which all that are in the graves shall hear his voice, And shall come forth..." Our Loving God has comforted us with the joy of being able to see our loved ones again. He also promises to destroy death (Revelation 21:4) so that mankind will be able to live out his days the way God originally intended..."even life forever more". (Psalm 133:3) May your hearts find comfort, hope and reassurance from the true God (Psalm 83:18) who will fulfill his Word (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
