“ Robert was one of a kind. I am so thankful for all the time he put in with my children. My children thought for sure that they were in the family. In fact so many times Robert asked to add them to his taxes!! Thanks Loretta for all the times you could not wear the cute stuff because so many boys were there because of Robert and Copper. I appreciate Robert for all the times he pushed me to greatness!! I will never ever forget! Sharon, Stephanie & family, Dennis and little Knyla ##imported-begin## Sharon Walker ##imported-end##
