“ *I am saddened at the news of Robert's passing! We had many conversations about food and diet. He always tried to eat healthy, but had mentioned stomach problems? I never suspected this. He always was a gentlemen and intellectually stimulating! We also talked about our Lord! May his family be blessed at this difficult time knowing he is with his maker. “ He was always a true gentleman and a warm person. I looked forward to waving or speaking to him at work when I came in. I saw him a couple of months ago at work in the office and he said that he was retiring - what a shock. May God bless and keep you while you wait to be reunited across the Jordan.###imported-begin###Afreida Wade###imported-end##

“ Special Son was such a kind and wonderful person. In my mother's lifetime, he was a help to her, always there, always dependable. He was a gift to the Home of Love for his loyalty and faithfulness. He was positive and generous! I thank God that I knew Robert "Special Son" Morrow and I cannot believe that he is no longer with us physically but rejoice knowing that he has answered a higher calling!###imported-begin###Diane Steinberg Lewis###imported-end##
