“ *Lula, & Rob girls*

I am reminded of a saying, When all you have is God, you have all you need. My thought and prayers go out to all of you during this time. Keep his memory alive. Your cousin-Johnnie (Bit)##imported-begin##Johnnie Brown##imported-end##

“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort in the knowledge that he is in a better place, and, throughout this difficult time, may you also know the deep sympathy and concern that is felt for the family.##imported-begin##M Weaver##imported-end##*

“ *Lula, you are on my mind and in my prayers daily. Remember we all love you and you are never alone. Rob is resting peacefully in God's arms now. Now you must remember the good times and take care of yourself, that's what he would want you to do. I will be calling you soon and remember I Love you. - Dood###imported-begin###Pearley Jett (dood)###imported-end###*

“ To Anna, Monika, Alisha and the girls,
My prayers are with you and the family at this time. I have been where you are and I know how you feel. I know you know words cannot take away the pain, but you also know that he would not trade a day in paradise to come back to this earthly world. He is now with Jesus and we all know that is the place to be. Be sad for only a few minutes but always remember the good times and that will take you thru. Love you all,

“ To my family:

Look to the hills, for all our help comes from the lord. I will miss my cousin and I am deeply sadden that I didn't get the chance to tell him that through it all I still loved him and respected him.

Remember: No one lives in a glass house!

To: Tamala, Nicole, Robin and Lula I hold a special place in my heart. I love you and I will be praying for you.
