“ *I had the honor not only of working with Cruzet (as a lot of MSEA folks called him) on his many union endeavors but on some fun community events. Hob Nob Gobble and the Detroit Thanksgiving Parade will just not be the same without Bob. May the large family of Robert Rufeno Cruzet, III find comfort in knowing their loss is shared. “ *Bob leaves behind a great legacy of long-time union advocacy and service to his community, co-workers, family and friends. Bob was always ready to lend a helping hand and to stand up for the rights of others--no matter how tough the issue was. He will be greatly missed, but never forgotten.##imported-begin##Scott Dianda, MSEA President##imported-end##*

“ Robert was the kindest, most knowledgable, caring individual with the most personal integrity of anyone I have ever met. Life dealt him an enormous cross to bear in his accident and he lived with it as he did his entire life---not giving up and still providing counsel to us. I send my condolences to his family. He will be greatly missed.##imported-begin##kay ryzenga##imported-end##
