“ It took me this long to be able to put how I feel into words. God gave you to us for just a moment so that we would learn the importance of time and love. I miss you more everyday and wonder when the pain will lessen.

To some you were fathead, to others you were a friend or family. But, to me you were all of that and the 3 year old who kicked me instead of saying hello.##imported-begin##Lora Gilbert##imported-end##

“ It was heart breaking for me to recently heard of Rodericks' tragic death. He was an important part of a fun group of kids that was a pleasure to be around. I pray Jesus uses his spirit to watch over his classmates that he loved so much. His quiet demeanor is very fitting for an angel. May God bless, heal and keep his family. Rest in peace my student.##imported-begin##Mr. David Jones-12th Grade Home room Teacher##imported-end##

“ Words can't explain how sad we are that you're gone. We think about you everyday. You was like a big brother to our son "lil leon". You always will come visit him take him to basketball games as well as restaurants. You was very special to him. You was a good person and you always kept a smile on your face. I know you was so special thats why god called you home with to be him. I never got a chance to tell you thank you for being our son big brother. Thank you for all you've done for our son. “ I am praying for you. I am sorry for the lost of your son. I ask that God will give you the strength to carry on. I know this is not easy for you. But God will give peace and the strength you need. I lost my oldest son in 2004. He will killed as he came outside of a club. I am praying that God will let the killer that killed our children come forth.##imported-begin##Delores Jenkins##imported-end##

“ To the Family and Friends of Rodrick: At times like this it is very hard to find the right words to say. However the Bible tells us at Isaiah 26:19 "your dead ones will live ...they will rise up". Yes we will be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future. What a happy time that will be. Our tears of sadness will be tears of joy. Our Loving Heavenly Father has promised (please read Acts 24:15; Psalms 37:11, 29, 34). May this precious promise from God's word the Holy Bible provide you with comfort. If you would like to learn the truth about what happens at death and the future for our dead loved ones or to receive a free home Bible study please go to [www.watchtower.org](http://www.watchtower.org).###imported-begin##Liz###imported-end##

“ Words can not explain the pain we are all suffering now, but at the end of the day, you left us with wonderful memories. There is no such thing of enough time in a day, a month or a year with you. You left your mark in my heart and you will always be there, never forgotten. I love you. R.I.P. Rod##imported-begin##Courtney Hardyway##imported-end##
