I love you very much and I just want you to know that I am here for you during your time of need. I will miss my cousin for the rest of my life. I will find comfort in looking into his children's faces and seeing his eyes and his smile and that wonderful sense of humor he possessed.

“ Dear Ruby and Family,

I am very saddened by your loss. As you may already know, Rodney and I shared some special times together, especially growing up as children. His sense of humor and his goofy laugh will be missed terribly and you will always be in my prayers. I know that you will find strength and comfort in your friends and family. I love you!

Sincerely,
