“ Dear Judy, Don, et al: Words can not express our heartfelt sympathy for you and your family. To some degree, we know from experience the grief of losing a grandchild and the sense of helplessness in comforting their parents- our children. Please know that our prayers are with you during this time as well as the weeks and months to come. May God continue to meet each and every need as your journey through your season of loss.  
Love, your friend and colleague,

“ Dray I will always love you. You are my brother now and your my brother until the end. I have not seen you in a minute and I think this not how I want to see you but I'm going to support you because I love you. I knew you since I was about 5 or 6 so it's hard to say goodbye to you because it's to early for you to be leave. Dray when you came around us you was the prince of the castle and you still are. Dray I love you and I will always miss you so I think I will say goodbye now. I LOVE YOU DRAY. P.S. BYE DRAY##imported-begin##Ja'na##imported-end##
