“ *, fully immersed in the nature, within the Bunaken marine park you'll do amazing dives, and you're gonna see the most colorful fishes. You'll dive with some very professional guides, they are very talented and passionate in their work. Since I'm handicapped I was a bit worried about the dives, but I must say Pim has been great! After a couple of dives to check out how to manage the situation everything went smooth! He helped with my gear, he swam for the two of us and he didn't forget to look for all those tiny creatures, camouflaged fishes Sometimes it took me a bit to focus on what I had right in front of my eyes!! I'll never forget the close encounter with a giant turtle I wanted so much to see Not to forget are all the strong men who work on the boats; they are always ready to help you, they change your tank and check your gear as soon as you get into the boat then they offer you some fresh fruits, lovely people! The food is very good, you can eat a super continental breakfast a la carte, you can choose from scrambled eggs with bacon to pancakes with pineapple delicious! For lunch/dinner you have different types of fishes everyday (remember the Sunday BBQ!!!), always cooked with fresh vegetables! And if you don't want fish there's always a meat alternative. You must also check the jungle restaurant up in the hill, but if you cannot because of a wheelchair they will be happy to cook whatever you prefer and serve you at your usual table in the restaurant. For my stay in Minahasa I was honored to have a personal assistant a nice guy who helped in every movement around the resort, he was always ready to take me to the restaurant for dinner, back to our room or the pool he was very helpful as everybody there, they all are willing to serve you the best they can, and they totally succeed!!! You don't need to think about nothing, they have everything you need, and I mean everything! The room is very spacious, super clean, fully accessorized, with your own private veranda luxury! All you have to do is take a plane and fly to Minahasa Lagoon, they will take care of you for a very special holiday. I really hope to go back again, I love that place and the good-hearted people there.##imported-begin##Jessica##imported-end##*

“ I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ May the Franklin family find comfort from friends, family and strangers during this difficult time. It doesn't matter what age a person dies our hearts are broken and the pain seems like it will never go away. We all express our grief in many different ways. Never feel you are alone, especially when we lose someone we love so much. Isaiah 41:10-13 "I am with you" says, Jehovah. "I am your God, do not be afraid". Jesus also provides comforting words at John 5:28 & 29, Revelation 21:3-5, God promises to do away with pain, death and sorrow forever. Psalm 34:1 "Jehovah is near to those that are broken at heart; and those who are crushed in spirit he saves."##imported-begin##Mrs. Malone##imported-end##

“ May the hope of Psalms 34:18 bring the Franklin family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##
