“ To the Martin family - I am so sadden to hear of the loss of Mr. Martin. I personally did not know him. But, his legacy of kindness, humility etc., will live on with his family. He had many fine qualities, which will not be forgotten by many, including Our Heavenly Father Jehovah. His good deeds go right with him. He May not have been the man is was, without the support of his loving wife and children. A faithful servant of God once asked: "If an able-bodied man dies can he live again?" (Job 14:14). Throughout the Bible, the Scriptures give a resounding "YES". Death at any age is an enemy. If death could keep us in bondage forever, it would be stronger than our heavenly father, Jehovah God. Death is no match for our creator, who is the source of life (Psalm 36:9). He has already made provision to eliminate death . . . forever! (1 Cor. 15:26). As for our loved ones who have died, God has promised us that they will not be forsaken, John 5:28, 29 the "hour is coming when all those in the memorial tombs (graves) will hear his (Jesus) voice and come out". Yes, that time is yet before us, but not far off (Acts 24:15). May you find comfort in the God of all comfort. Put faith in His Word knowing that he truly cares about us (1Peter 5:7) and all that Jehovah has promised...He will do. He cannot lie. (2Cor.1:2-4), (Titus 1:2). We have the opportunity to see Mr. Martin again, in paradise on earth.###imported-begin##Liz##imported-end##

“ The world lost a great man last week, Roscer Martin. Everyone who has ever had to pleasure of meeting him and working with him, to a man, all say the same thing. "I've never seen him mad". He was the most humble, gentle man you could meet.

Roscer, was a salesman who I had the pleasure of working with at more

than one radio station. He was well respected by his co-workers and clients alike. I don't know one person who would disagree. Anyone who has ever worked in radio knows about the stress and pressure that comes with the job. Roscer never, ever lost his cool!

Roscer knew his job and did it well. Dotted every "I" and crossed every "T". He was always willing to help. In fact a few years ago you'll remember there was a black out in the north/eastern US that affected Detroit. At the time we were all working on the 20th floor of the Penobscot building downtown.

Those of you, who know me, know that I could use help walking down one flight of stairs, let alone 20 flights. Not only did Roscer, with the aid of some of my then co-workers, help me down all 20 flights (amid mild panic and pitch black stairwells) but Roscer all but carried me down most of those 20 flights. For that Roscer, I am eternally grateful!

Roscer made his transition after having suffered from the effects of A.L.S. (Lou Gehrig's disease). His is proof that the good do indeed die young. Roscer you are in my prayers as well as you very kind wife and children. To the family, you have my deepest heartfelt sympathy and may God bless you and watch over you.##imported-begin##Darryl Jennings##imported-end##

“ *My Deepest Sympathy to Jewel & Family.
I am so sorry for the lost of Roscer.
He was my co-worker and friend, but I loved him like a brother. He
always carried himself in a christian like manner and never
complained about anything. He always talked about his family. He
will truly be missed. I'm keeping your family in my prayers.*

God Bless,
