“ *May the hope at Isaiah 25:8 bring the Miller family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##*

“ *May the family find the consolation in the "Power beyond what is normal" to go from day to next. May be that of God's and not that out of ourselves." (2Corinthians 4:7.) You have my deepest sympathy.##imported-begin##Deborah Gipson##imported-end##*

“ *Death will come to each of us some day. We can die having fought hard for our beliefs and convictions, or we can die having failed to do so. Since the reality of death is the same in either case, isn't it far better that we set out on our journey toward the next existence in high spirits, with a bright smile on our faces, knowing that in everything we did, we did the very best we could, thrilling with the sense that "That was truly an interesting life"? Daisaku Ikeda. Mrs. Miller, your life was truly, truly interesting. Thank you so much for guidance and direction you gave me as a child and young man.*

“ *I Am Just Away*

*If you think that I have left you, if you think that I am gone,
Let my life live in your heart and let my spirit carry on.*

*I am not there the way I was, I am not there the way you'd like,
But if you listen you can hear me through your lonely days and
nights.*

*In the whisper of the raindrops, In the echoes of the wind,
Close your eyes and you will see me just above the horizon.*

*I am with you just as always, keeping watch on you afar,
And keeping you safely near me, no matter where you are.*

*Never worry if I am happy, I am surrounded by warm embrace,
From loved ones that left before me, in a far more better place.*

*Here to teach me and to show me, and to help me pave the way,
For those I love and intend to meet and see again one blessed day.*

*So until that day does happen, and it won't before its time,
Feel all the love I gave to you, and left for you behind...*

*Your grief will become easier, as I'll help you every day...
Until you will realize I am not gone...*

*I am just away.##imported-begin##Hermione Beard, Los Angeles,
