“ *May the hope of Psalms 34:18 bring the Ruff family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*

“ *To My Family: As I prayed about what I wanted to say, I must begin with the day I met Cousin Alma. It was in the lobby at the hotel in Detroit. I will never forget her warm smile as she looked at me for the first time; greeted me and welcomed me into the family. After that I felt very special because she kept me close to her. When we took the family picture, she seated me next to her and only God knew how special I felt. After I returned home to Virginia, I was blessed to call Cousin Alma several times and share with her via telephone. I was part of her family and that meant so much to both of us.*

*I thank God for blessing me to meet her and learn important things about her life. She loved her family and she loved helping others. One day, you will look back and enjoy all the wonderful memories. To family who has a relationship with Jesus, I ask you to lean on Jesus and allow Him to hold you close to His bosom and comfort you as no other can. For those who do not know Jesus, you can reach out to Him because He is right there. If you do not feel like reaching out to Him; open up your heart to Him because He stands knocking; all you have to do is let Him in and He will mend your broken hearts; wipe away your tears and lift up your bowed down heads.*

*I know you are sad, lonely and already miss her. But she has gone to a better place where there will be no more pain; no more sorrow; no more tears. She was blessed to live a long life of 92 years. She was ready to go and I would never wish her back here because I know that one day I will see her again. I thank God she did not have to linger for months or years and suffer. She would never want that. For all who made it in time to see her before she closed her eyes for the last time; keep that memory with you. You are so blessed. I love all of you and I keep you covered under the blood in prayer. Jesus loves you and He will never leave you nor forsake you. God will not allow more than you can bear. I thank God for His Mercy and His Grace. His Grace is sufficient.*

*“Heavenly Father, I stand in the gap for my family. Heal their hurts; take away all sadness; wipe away all tears and let them feel your love in Jesus name. Amen “ Cousin Pudden##imported-begin##Frankie Mae Harris (Cousin Pudden)##imported-end##*

“ No matter what age a person dies, it still breaks your heart. When we hear people say Mrs. Ruff lived a good old life. Well 92 years is not enough. Our Grand Creator purposed for us to live forever in paradise on earth. It's not selfish to say, "I want you to stay". The bible says Jehovah put eternity in our mind. We don't ever want to die. Death was never in God's purpose for man. God's purpose will come to fruition. He also will help us if we grab hold of his hand and allow him to get us up each day. Revelations 21:3-5 and Isaiah 41:10 & 13.##imported-begin##Mrs. Malone##imported-end##
