“ I have known the Harton family since I was in grade school well over 50 years ago. I was always impressed with the love, warmth and kindness they not only showed to each other, but to all those who were fortunate enough to be in their company. This was a time when parents not only raised their children, but their children friends as well. Mrs. Harton was like a second mother who was always there to listen, to guide, to laugh and to be strict when needed. I have often thought back to those days and have missed them dearly. My prayers go out to each and every family member. Mrs. Harton will be dearly missed but her memory will forever remain in my heart.
