“ *To the Family:*

My husband and I are shocked and saddened to hear of Antoinette's passing. Your loved one was a dear friend of mine when we attended Oakland University and we remained acquainted over the years. You are in our prayers. May God Bless You and Keep You.

“ I was so shocked to learn of Antoinette's passing. I can visualize her when she started to fuss. She had her way. My thoughts are with the family, especially the daughters. You will miss her guidance as you move into adulthood. May fond memories help to ease your burden. May you find comfort in each other and your friends. Words cannot express my disbelief that she is no longer here, and whether you believe it now, she is in a much better place. My prayers are with you.##imported-begin##Gloria J Whitfield##imported-end##
