“ *Dear Mrs. White,
I've thought of you often over the years. Wondered how you were, wishing I could tell you how much you impacted my life. You were the best teacher. I wish my young mind could have understood your passion for making us better human beings. You taught and expected excellence from your students. Wouldn't accept anything less. How I wish there were more like you. Ive told so many about you when I want to describe what a good teacher looks like. I'll always remember you.*

*Love,
Corley Edwards*

“ Dear

I did not know your loved one personally, but that did not stop me from wanting to offer my sympathy, and let you know you are not alone. We all have been touched by death at one time or another and need comfort during this time.

The Bible offer such comfort at Isaiah 25: 8 Please read it. . I hope it will bring you some comfort to you and your family in the coming years. I hope you will accept my heart-felt condolence.##imported-begin##Deborah Richardson##imported-end##
