“ *To the family of AUDREY D. Woods- I feel as if I know you all from the many talks and speeches that I heard from Audrey. I have learned so much from this BEUATIFUL woman that even today I think twice and consider what will Audrey think about what I just said or did. She presented a budget for me that I know that I will continue to follow each month. It is because of her I can raise my children by myself with PRIDE and ENDURANCE and most of all LAUGHTER. We have to laugh at ourselves in order not to take matters so seriously. Keep it Simple and enjoy the Lords' blessing.*

“ *First of all I want to thank NaCola for sharing her mom with me. MaMa Audrey was so special to me. Audrey was my second mom. I love when she would introduce me as her daughter and look on people faces just tickled me. MaMa Audrey was a caring, understand and loving women. I will dearly miss her with all my heart. I will miss her silly little laugh. The wisdom she would give me when I was going through a rough time in my life. The one thing that is comforting to me is, she is with the Lord and her son. NaCola, you will always be my sister until the end of time. So if you ever need someone you know I will be there for you.*

*With all my LOVE,*

Oh and the b-day party Donald snuck and let Cola have in your basement when you came home and put everybody out! I know you are in a better place, a place without pain, or heartache. Don't worry about Cola i'm going to keep her out of trouble. I love you Mamma Woods ##imported-begin## La'Tricia Garwood-Bowers ##imported-end##
