“ Mrs. Hall, Renita, Prussia, and children, I am truly sorry for your loss. I have fond memories of your mother/grandmother/great grandmother. I remember being over the house playing with you Renita and your mom would be out and your grandmas telling us "Well I know your mom wouldn't allow this or that so don't try it with me" and how we would play in the porch off of the garage and she would sit outside on the patio watching making sure we were on our best behavior. She was an inspiration to me and always very kind and loving. She had a long and wonderful life and is now in heaven with God and the angels. She does not have any more problems or worries and I know that she is looking down on her family smiling knowing all will be well.

If there is anything I can help with or you just need to talk call me.

Your long-time friend and neighbor.##imported-begin##Maria Uzelac##imported-end##
