“ Dear Shawn and family of Mom Dupree. May it be of some comfort to know that you're in the thoughts and prayers of others, but more importantly...God is mindful of you. He knows the pain that you're feeling and He's right there with you to comfort you, remember, the peace that passeth all understanding shall keep your heart and mind. Shawn you know that I love you and I'm yet holding you up in prayer.###imported-begin##Marilyn Wasson###imported-end##

“ Dearest Shawn-Cherish the memories of your beloved mother, for they will carry you through. Pain nor sorrow can ever replace your mothers unconditional love and guidance. Know that she will always be with you! Live your life with your head held high...live your life for her. If I could have told her just one thing it would have been to be proud, for she has raised a beautiful, spiritual daughter. Your mother was a wonderful example of resilience and strength...now she has gone home and is at peace with the Lord. My thoughts and prayers are with you and your family...Love, Sara###imported-begin##Sara Schiappacasse (Shippy)###imported-end##

“ Mrs. Shawn Dickson:  
You have my deepest sympathy in the loss of your mother. May it comfort you in knowing that death cannot diminish the important ways your mother touched your life, that grief cannot take away the happiness you shared, and that sorrow will fade in time....and love remains forever. Just keep putting your faith and trust in God for he promises a better tomorrow for your mother.
