“ *Bop!*

You have always been my big sister that I have loved dearly. Thanks for letting me tag along when I know I was a pain in the a__ , but mom always sent me! I had a good time whether you knew it or not. You were a great example of what to do and what not to do. I LEARNED A LOT FROM YOU. YOU WERE MY PROTECTOR! I loved to hear you play the piano and loved to watch you play softball! Your hair and outward appearance was always impeccable. You were a great mom to Tori and Aaron, and GG to Marissa and Morgan.

*Sorry I did not always have my work done when mom came home because she was harder on you than me. I was so happy to see you and Cynthia at the Delta Sweetheart Ball. I was actually singing the Delta Sweetheart song to you! You seemed so surprised to hear me sing the lead in the song. (I told you, I could sing!) :-) I miss you Sis, and now I send your Tori to you. She left this earth on April 2nd to join you. So, now I miss you both , soooo much! Loving you always.
Your Sis, Juanita*

“ *With Deepest Sympathy: The people we love live on in our hearts. It takes a long time to get used to the loss of someone we love. But it's important to remember that when people die they said and did. And as long as we have theses memories the people we love will live on in our hearts and minds. Rev. 21:4 help us to see that God will wipe out every tear from our eyes and death will be no more.##imported-begin##Geneva McClendon##imported-end##*

“ I have fond memories of Barbara as a young girl who came to visit our grandmother in Birmingham. Many decades passed before I saw her again at her nephew David's wedding in San Diego. I am thankful for that opportunity to re connect as first cousins. I also met her loving daughter Tory for the first time. Tory and her brother's support and loving care of their mother during her illness reflect the depth of their connection with her. I will pray for their peace and comfort and that of the entire family.##imported-begin##Charlotte Clarke Houston and John Houston##imported-end##
