“ *A special person has moved on to a better place. I will miss Barbara who was thoughtful, loving and a lot of fun. She was unique from the beginning, and stood her ground even in times of uncertainty. I am going to miss that smile all the way from the west coast to the big "D."*

“ Dear Lisa and Family,

There are no words that can express my heartfelt sympathy for the loss of your dear mother and grandmother.

Barbara was a very special dear friend to me for more than 35years. I affectionately referred to Barbara as my "Big Sister".

There are so many attributes that can be used to describe Barbara's charismatic personality: i.e. charming, vivacious, spirited, elegant, artistic, beautiful and let's not forget the big D - "DIVA EXTRAORDINAIRE". That's the Barbara that we all knew and loved.

Lisa, Jimmie, Barbara, and Summer may GOD give you comfort in knowing that your precious mother and grandmother is at rest with all the other beautiful flowers in God's magnificent garden of eternal life.

Barbara's loving memory will be forever cherished in our hearts and minds.

Lisa, please know that I love you and I am here for you.

Love,
