“ I just wanted you to know that Bettie has passed away. If it was such thing as you and Shawletta keeping an eye on her, it would be great. I really wish there is a heaven. Love you##imported-begin##Gwen##imported-end##

“ It's been a year. We really miss you. It has to be God getting us through this awful time. I wish you were here. It still hurts. Michael Jackson had a song out "Gone To Soon". Well He passed away too. If it was such a thing to keep a eye on him. I think both of you were unhappy in a way. I'm keeping you to myself. When i see a butterfly I think of you. You were beginning to spread your wings. Bye sis Love Gwen##imported-begin##Gwen Holland##imported-end##

“ You have got to be kidding me. what will i do without you? There will be many remembering the old Bar, wandering why and how, making speculations. There are no explanations needed, no excuses and no reasons. The outcome remains the same. I lost my sister. You would get a kick out of people saying I look older than you, i didn't think it was too funny at the time, but you thought it was hilarious. Is things like that, that I will miss. I never felt as if I had to protect you, for some reasons i feel i need to protect you now. I love you Ba and will really miss you. I trying so hard to deal with this. You will forever been in my mind and daily thinking You are my sis. Love,
Your little sis Gwen##imported-begin##Gwendalyn Holland##imported-end##
