“ *Maureen,
In times like this it is hard to find the exact words that will bring comfort to your heart. May the memories of the good times you've shared with your mother bring joy, peace and comfort to you and your family.##imported-begin##LORRAINE CAVER##imported-end##*

“ My dearest Gerri

Life has been so good to us! Together we have weathered many trials, we have funeralized many loved ones. Bea was a special person and you had no reservations about sharing her with all your friends also. We will just be grateful today that God allowed her to touch our lives with such graciousness and sensitivity. God is continuing to bless our lives and be merciful to us.

we will always be sisters

I love you and am keeping prayerful about your grief, it won't last long.
