“ Dear Cousins Jackie, Rickie, Carl & Yvette,

Hopefully, it will comfort you to know that THE BLESSINGS OF YOUR MOTHER'S LOVE ARE YOURS FOREVER.

*Our mothers' unconditional love lives on...
In their wise words,
the way they shaped who we are
and in the beautiful memories that will always bless our hearts.*

I'm sorry that I could not be with you during Aunt Cleo's transition and home going celebration. But I have many fund memories of Aunt Cleo... The way she spoke up at the family reunion meeting, after complete silence, about my suggestion of a family reunion cruise; her telephone happy birthday song to me, that I still have on tape; the pictures that I took of her with us during my visit in April and many other life memories that make me smile and laugh when I recall them.

Our mothers are not dead, for they live on in our hearts and they are resting in peace and comfort in the bosom of Jesus. Be encouraged!

*With Much Love;
Your Cousin,
Gilda##imported-begin##Gilda Anita Brownlee##imported-end##*

“ Yvette this is just some of the things I loved about your mother.

As I read what people say about your mother makes me think about her more and the love and joy she brought to me and others. God has a place for all of and he is the only one that knows when it is our time. Your mother shared so much with others that she will always be in our hearts. My love to Mrs. Bertha Cleo Austin, my mother and my friend your memories will be with me throughout my life. You have brought a light to heaven that will shine through the clouds and watch over us. God has you to help share his prayers and plant smiles upon our faces when we think about you. You are and will be truly missed. Love Frances and Hank

“ Dear Yvette and Family, Words could never say enough to show how others share your loss, still may these words of sympathy help comfort you today. There 's an open gate at the end of the road, Through which each must go alone, and there, in a light we cannot see, Our Father claims his own, so beyond that gate your mom has found happiness and rest, there is comfort in the thought that a loving GOD knows best. Sincerely, Audrey Hall & Audrey L.Hall

“ *In Loving Memory of My Granny, I thank God for giving me an opportunity to tell my Granny in person, Thank You. I thanked her for being an ensample of what being a living sacrifice really mean in the spiritual. My walk with God these last 4 years has truly been an eye-opening experience for me. She was a very strong God fearing woman and also a woman who walked by faith and not by sight. I know her to be LOVE. If you never knew what love was then you never knew my Grandmother Bertha Cleo. Everyone who knew her, loved her. Wow, I am truly proud to say I have been blessed to have had this woman of God as My Granny!###imported-begin##The Lyles Family###imported-end##*
