“ *Alton, Accept My Sympathy*

*Life is precious; there is no one more precious than a Mother.*

*Your Mother was the channel in bringing you to human form.*

*At a time like this it's oh so hard; to know just what to say.*

*For I know inside you're hurting; in a very painful way.*

*Please know that I am praying with you; you are in my thoughts and prayers. And know I am one of many; who feel for you and your family and cares.*

*Just know that your Mother has gone home; and is in a better place. And she has seen the Lord above; and the light from God's sweet grace.*

*In time the pain will fade away; along with all your tears.*

*And you will smile once again; on shared memories from past years of good times, being loved, blessed and guided by your mother.*

“ Bertha, your life was a weaving between the Lord and you, You didn't choose the colors because he knew what they should be, The Lord viewed the pattern on his side and yes you could only see it from the under side, His weaveth of sorrow seems strange to me, but I know as you did and I will continue to do is trust his judgement. We had some great times together and I will miss terribly.

“ Alton, please accept my deepest sympathies during this time of grief for you and your family. Remember that God is in the middle of everything and this happens for a reason that sometimes we cannot see at the time. Think of the great times you shared in your lives together and the blessings will surely flow to you and your family.

God Bless,
