“ *May the hope at Isaiah 25:8 bring the Mann family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##*

“ To the Mann family,

My prayers and condolences to you in the passing of you mother. You mother was an angel on earth without wings and now she has them and forever will be a Guardian Anger for you and you family. The community will never forget her. I'm a high school classmate of Vanessa Angie and the morals and values that your parents had instilled in them was amazing. Remember her god deeds and share them with the world.

Blessings,
