“ Eric your mother was so proud of you and the twins you all were her joy. I can only say be encourage in this sad time for your mother was an inspiration to me during the recent loss of my father. It seems during our talks she knew just what to say. She left this note on my desk on day I hope it brings some comfort to you.
" All the while I know that God is with me, nurturing, guiding, and sustaining me and those whom I am remembering in prayer. It is a journey but no matter how long it takes, God is your constant and caring companion, I'll be praying for you". That was your mother's love. I will be praying for you and your family.###imported-begin##Bessie Bell###imported-end##

“ *Bettie will be truly missed. I came to know her very well in 2003 as our shift relief. We talk a lot since then. Bettie was a good listner and a spiritual inspiration. Her favorite words to me was "Don't let people still your joy" and I know God has a better plan for me". Rest in peace
Bettie.

“ To the entire family of Mrs. Betty Joe Taylor...
Never forget, once the visits & calls of condolences cease. The thoughtful cards & favorite dishes dropped off at your home(s) stop coming. Don't for once believe that you are alone and no one to turn to.. to share your ongoing sadness
Please wipe your tears and take comfort in knowing...
Each and every one of "You" all have someone which will never leave your side. Feel free to call on him at anytime.
He doesn't care what time you call, and it's never a bother. Actually, when you call him, he already knew you needed his comfort. That's The Lord Jesus Christ!!!
God bless you all###imported-begin##Tina F. Caver##imported-end##

“ I know that Bettie is in a Better Place

*There's a place I've never seen beyond this world we know, a place
I've only heard of but someday hope to go. It's not on any map,
there are no roads to take us there, but it's a place of perfect peace,
where hearts are free from care. And though we understand that
some may be saddened when we leave, one day those of us in
Christ we all will meet again, that's what I believe...*

*When it's time to travel there, we know you will wear a smile, and
say good-bye to those you love, but only for a while, knowing there
are others who have traveled there alone, who cannot wait to greet
you and to whisper "welcome home".*

Missing You!
