“ Mrs.Edwards the lady with such a beautiful spirit.To Mr. Edwards and the family. At a time like this, I really don't know what to say but I will share this memory with you. I have always known Mrs. Edwards as the one with the beautiful children and I would tip my hat to her because I had never seen any of the children out of line or disrespectful and I know that had to come from the parents. I just want to share that memory with you and your family. To the children its going to be difficult at times but always remember you have each other to lean on.
