“ Beverly was such a dear friend. I am so proud to have known her, even if only for a short time. She and I joined the W.E.T. club at the same time, and she has been just like a sister to me, so spiritually connected. Her passion and love are dear qualities that made her such a pleasure to know.

*My deepest condolences go out to Beverly's entire network of family & friends. I know that this is a great loss. You will find comfort in remembering all of the good times that you have shared together, all of the happy memories that allow you to feel her presence.*

*Beverly left us so soon. I know that we were not ready for her to go, or say good bye. The Lord knew that she was in pain, even perhaps suffering in silence. He released her from the pain. She is in a much better place right now, she is in the comfort of God's arms. There is no better place to be.*

*I will keep the family in my prayers. May God continue to shed is light on thee, and may His presence be a source of strength during this difficult time.*

*Beverly was such a treasure to know; a true friend. I miss her so. Since it is so hard to say goodbye, I will say so long for now.*

*I love you Bev,
