“ *Still Missing you lady and thinking of you daily. I miss the calls, the laughs, the wisdom the strength! I visit your grave sometimes to make sure it's clean. I still carry the bag you left me with believe it or not the plant is still alive that was dead when you sent it saying I would know what to do. Lord knows I don't have a green thumb. It continued to die only one leaf was still alive and it's steadily growing love you forever. Your daughter in love forever Felecia*

“ To my brother Alex and sister Felecia so sorry to hear of your loss. Although your mom has gone to a better place she will always be in your heart and and her spirit will forever live on. God knows best and makes no mistakes when he calls us to a higher place. Her job here is done and now you all must go on. She has a job in heaven that is waiting for her, so until you all meet again just know she is watching over you. You all are in my prayers and if you need me just call and I'll be there.

Love Always,
Your loving sister Shemika##imported-begin##Shemika Jamison-Davis##imported-end##
