“ Reggie and Marhland, my thoughts and prayers are with you during the loss of your mother. Earth has no sorrow that heaven cannot heal --- do know that she is resting in the loving arms of our Lord and Savior, Jesus Christ. Brenda has and always will mean a lot to me. She was my piano teacher during my younger years which was the foundation of my talent and passion of music. I still have all my piano lesson books that she used to teach me the art of playing piano. And Reggie, I remember all the times she and your grandmother had to chastise you for interrupting my lessons every Saturday. She will always be a memory in my heart. May God continue to bless you richly and keep you in His loving care. "May the peace of God who surpasses all understanding guide your heart and mind."##imported-begin##Randall Cross##imported-end##
