“ *To the family,
When you are sorrowful look again in your hearts, and you shall see that in truth you are weeping for that which has been a delight. Mrs Callie has enter into enteral rest, forget your grief and fears for she is in a perfect place away from pain and tears...She has her place in heaven with God. Life on earth was very good. For the pathway that lies before her is with our Heavenly Father. Trust in him to guide you through. Remember her in the stories that are told. Cherish the memories that were shared. She will always be near for she lives within your hearts. I love you all and she will be truly missed. My prayers are with all.*

“ Dear Edward, Robin, Senita and Sherry, our prayers go out to you and your entire family. I will not be able to be there today with you because of a prior travel obligation but do know that we are praying for you in this difficult hour. Callie will always be remembered by us as being a major contributor to the teaching and development of our Christian Education department having served as our Director for several years. I also have very fond memories of her evangelistic support of our efforts to start up the Shay Lake Non-Denominational Church where she allowed us to use her personal vehicle to transport supplies as well as our Ministers to help them in their infancy stage. Shay Lake Church is still thriving and growing largely to the efforts of your Mother. I also want to acknowledge her contributions to the thousands of students that she taught and mentored while a teacher in the Public School system. We respected, loved and admired Callie for her wisdom, humor and forthrightness. She will be long remembered and held in high esteem by our church and her leadership.

Submitted with great respect,
Pastor and Rev. Linda Smith and the

“ Grandma,

Although I'm sad you are no longer here, I'm so happy that you are now livin' it up in your sweet mansion in heaven with our Lord.

I thank you for inspiring my best friend to be the woman she is today.

I love you & I'll see you later
