“ *I am so sorry for your lost. I met Mrs. Greene through Janice and her granddaughters. She was such a beautiful person and always had a smile and a good word for the ones she met. She will be truly missed. I know she is looking down on her love ones and will be waiting to meet you again where there is no more pain or hurt but joy and rejoicing. God bless you and may he heal your hurt in his own time. And then and only then you will remember the beautiful memories of her love, kindness and wise words. To her family and those that she touched, her beautiful smile will live on in your hearts and she will give you her legacy, a beautiful smile on your face when you think of her. She will live on in your hearts, memories and in your smile.*

Blessings,
