“ *Dear family,
I share the loss of this great mother and grandmother. I was so happy to share those 4 days with her prior to her death. It gave me and Keisha great joy when we sat at her bedside and gave her comfort. Keisha and I will always remember the joy we know she felt when we were there and the love she expressed to us. My dear family I love you all and may we see each other again at a happier time.

“ *I would like to offer my condolences to the Jett family. Mrs. Jett was
really a nice lady who had a big heart. I realized that in the short
time that we spent together. But, seen it often in her daughter
Saundra and grandson Brandan. She will be missed and I'm sure
never forgotten. Take solace in knowing her suffering is over and
peace has begun. God Bless!!
With Love,
