“ I would like to send my heartfelt sympathy to you and the family. I meet Charlene about a year ago when she worked at Woodward Auto. We shared some personal things together and she always had a ear to listen and wouldn't think twice about telling you the right way to do things. She was such a wonderful woman and I am so Blessed that I was able to meet her. She would call me for her clients and their insurance needs and tell me "Okay Polly I want the Charlene hook up" She was such a pleasure to work with almost on a daily basis and she will certainly be missed. Remember Charlene was an Angel here on earth but now she is your Guardian Angel up in Heaven. I know this may be hard and you maybe even questioning God's decision but know he is never wrong. She will have no more suffering she is a new person now. God Bless! Polly (State Farm Insurance)###imported-begin###Polly Long ###imported-end##

“ It is with deepest sympathy that I express these feelings. Nothing words can say, nothing a friend could do, could make up for the passing of one so dear to you. But it may bring some measure of comfort and relief to know that sympathetic thoughts are with you in your grief. May the comfort of Jehovah and his son Jesus, bring peace to your hearts now and through the days ahead. May your tears of sadness turn to smiles as you remember the times shared with Mrs. Brown. 2 Corinthians 1:3, 4; Revelations 21:3-5 Isaiah 26:19, Proverbs 3:5-7.###imported-begin###Liz Malone###imported-end##

“ I enjoyed working with Charlene at Mel Farr Ford in the late 90's. Those were some of my favorite years. We worked hard and played hard. She made sure we worked hard then, made sure we knew we deserved the benifits. She threw me a crazy bachelorette party in 98 and also left a company party to come a do the make-up for my wedding. It is these types of things that I will think about when I think about Charlene. God bless and much love to the family.##imported-begin##Angela Alford-Diuguid##imported-end##

“ *It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

With Loving Memories
