“ *I only knew Chris for a short while working with her at the Kay Beard Building in Westland. I was always impressed with her giving spirit, her individuality and her ability to see the beauty in this world. I wish to express my sympathies to her family, but rejoice in the fact they have been so blessed to have had her in their lives to love and direct them throughout the years.##imported-begin##Margy Bishop##imported-end##*

“ *It is very painful to lose a parent for you lose your past. Cherish the good times you had with your mom. There will be times when you think of her and the tears will flow.....let them flow no matter where you are.*

May you comfort that Jehovah, the God of Love, has your mother in his memory.##imported-begin##Cheryl L. Poole##imported-end##
