“ *I was so sorry to hear of claudia,s death. I am sorry I was not able to be there. I had just returned to Arizona. She was a lovely person. Our husbands were very close while they worked together at general motors. She was the one who always called to ask how my husband was and her and Johnny came to his funeral.*

I will miss the phone calls of keeping in touch.

God be with you. I will keep you in my prayers.

“ My dear friend Claudia. How I will miss you and our long friendship, our outings to doctor appointments, out to lunch, shopping and just enjoying each other. I so enjoyed having your dear husband in my classes at the JCC and getting to know you both so well in the process. I was with you and JJ through Johnny's long illness, and thought you would be around a lot longer. I am so sorry I was away for your last week as I would have at least been able to tell you in person how much I have cherished our friendship over the years.

JJ, I will always be here as a friend for you. Your mother is now in heaven with your father and will watch over you. Bless you!
