“ Hi!! I was just surfen' aurnod for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;###imported-begin##Manuel###imported-end##

“ Kim, Carla, Father Richardson, and Family, It is with great sadness that I am writing this message. Your Mother was such a wonderful woman. I see her in you. She was always pleasant, smiling, and willing to help when needed. I met her so long ago and still have fond memories of her. May the Father hold you in his strong loving arms at this time and grace you with his Peace, Strength, and Comfort. I love you and am here when you need me.##imported-begin##Fedilias McFall##imported-end##

“ For as long as I can remember Mrs. Richardson was on the block, a part of my childhood neighborhood and community...I mean all of my life..even before I was born. Everybody knew the Richardsons and I remember whenever Mrs. Richardson would come to the door or on the porch and call Karla, Krystal, Kim or Junior with the soft voice she had they would make their way to see what their mom wanted from near or far. I remember her as being kind, but firm..nurturing, but not taking any foolishness. She was a beautiful person and the neighborhood, community will never be the same. Mrs. Richardson thank you for your quiet presence, wisdom and strength as a mother and woman! You are missed tremendously and forever appreciated! Continued prayers, peace, comfort and strength to the entire family..we love you! Tosh Lymon & the Lymon Family###imported-begin###LaTosha L.###imported-end##

“ Dear Richardson Family: I wish to express my sincere condolences on the loss of your mother and friend. Please know that others, like myself, understand your pain. I, too, lost a beautiful mother some years ago. It is not easy to endure the loss of a loved one, especially a mother, and it can be quite a challenge to move on without them in our lives. Although it may be hard to contemplate or even envision at the present, still our Loving God has promised us that soon He will 'wipe the tears from our eyes and death will be no more'. (Revelation 21:4, Isaiah 25:8) Not only that, but he also promises to resurrect our loved ones who have died, including your precious one, your mother.(John 5:28,29) May these Scriptural truths help to lessen the pain, just a little, in your hearts today and in the days ahead knowing our Father will do all that he has promised. He will not fail us, for he cannot lie (Titus 1:2; Psalm 83:18). My deepest sympathy to you.###imported-begin##joyce jones###imported-end##

“ *A Mother's Love*

A mother's love is pure, a never-ending gift. A mother nurtures, guides and protect, her teaching has a life affect. Your mother was your anchor for so very long, the one who taught you right from wrong. The little things that she used to do are now fond memories of all you went through. I pray for your strength to help guide and protect you. May God bless each one of Colevia's children. Be strong your mom will always be with you.##imported-begin##A Special Friend ##imported-end##
