“ In my brief time spent around the family, it has become more and more evident how special Mrs. Horton was by all the lives she touched so deeply from all walks of life. To the family, I am so sorry for your loss. In this time of sorrow, hold fast to your memories of her and the time spent with one of God's true servants. And honor her memory by cherishing the things that mattered most in her life: her family, and her love for the Lord.

“ Good Morning Horton Family,

*I want to thank you for extending an invitation to me on help celebrating the home going service for Mrs. Horton.*

*Mrs. Horton will truly be missed. However, the scripture that comes to mind: "To be absent from the body is to be present with the Lord." I truly know that she is no longer suffering anymore and she is currently rejoicing in Heaven along with the angles on obtaining her new body and her new assignment in the Kingdom of Heaven. Isn't that wonderful! So, Continue to be encouraged (Horton Family) and continue to confidently know that you will soon be reunionet with you love one soon.*
