“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ *May the hope of Psalms 34:18 bring the Potter family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*

“ To Marita, Louis, Peanut and Karen, I am so very sorry for the loss of your mother, aunt and sister. Words can't express my heartfelt sympathy to each of you. I pray God's peace to you hoping that you find joy in the many, many happy memories you have all shared together.

In God's Love

Always,

“ I am very sorry for your loss. I have only known Crystal for a short while, but in that short time she was always a pleasant person. She was always smiling and making others feel good. She was a great employee and a joy to work with. She will be missed greatly. You and your family are in my prayers.##imported-begin##Dale Rice##imported-end##

“ Dear Family: It breaks our hearts when death separates us from our loved ones, no matter how young or how old they may happen to be. However, we are reminded in the Bible that there is One who sees our distress and pain and has promised that soon death will be done away with...swallowed up forever! (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 5:28,29) I hope in the days ahead as you reflect on the life of your loved one, Crystal, and the precious memories she left you, that you will also find much comfort and reassurance in Jehovah God's promises to us for the near future for they will not fail to come true (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
