“ *I was totally stunned at the news you related to me about your wife. My deepest sympathy to you and your family. Your wife was a breath of fresh air, whenever I came to the office she always had a terrific smile and pleaseant disposition. I would hear above the others and it always one of cheer. I know you are sad at this point but you will soon remember the "good times" and laugh and smile. Again my most sincere and heartfelt sympathy goe out to you and your family. She is probably taling with Elgin (Bone) & Marjorie right now....FIU###imported-begin###Garey & Joslyn Flewellyn (FLU)###imported-end###*

I met Cynthia approximately 5 years ago when I was invited to a purse party. I have been to several. of her parties. She showed me around her new home and she made everyone feel welcome. Cynthia was such a delightful person. She had a big personality and she was a job to be around. Her smile and her laugh were contagious.
