“ *From your Loving Husband to a LADY that saw the Best In Me when I couldn't and I'll never would've made it without you I would've lost it all if had not been for you. So my DEAR I am sure that you are now Holding on to God's unchanging hand. And that why I love to praise his name because he placed you in my LIFE. LOVE YOU FOREVER.##imported-begin##George W. “ I love you mommy! I always did! I miss you so much words can not describe. You taught me so many things but except how to live life without you. I always thought you would be here regardless of anything because you are mamma and you were so strong. I can't say that I truly understand your early depart from this earthly world but I know your not in pain anymore. I hope you knew that I didn't leave your side and prayed for your strength. I know you are watching me and know what is going on but I want to express myself in words too. I just ask God for peace for Daddy, Oliver, myself and all our family because mamma you left a wonderful impact on us all. My heart hurts so much and I don't know what to do. Daddy misses you so much and I try to support him but sometimes it hard because nobody can be the person you are and were. Your grandbabies ask for you constantly but they are learning that Grandma is now one of God's precious angels. We miss you mommy and love you endlessly!

To My Mom:

*I thank God for you and Daddy everyday-
because you all gave me second chance to live my day.*

*It started 24 years ago when you all wanted me-
you all showed me true love from a parent as it should be.*

*The problems I caused; I apologize-
but the acts of a troubled child you realize.*

*You have taught me some many things-
"I am my mother's child I am proud to sing!*

*The love of a mother will never die-
but it is hidden deep inside.*

*Love you Always Mommy!###imported-begin##Aiysha A. Barno-

“ To my family and friends. My Auntie was the best on GODS green earth, she never turned down my call always eger to listen being concerned about my every word. She never said anything that was unkind only incouraging me always. I ask my auntie how did she become so at peace so calm she said it was GOD who made her so. I am going to be like my auntie the best of the crop. I will always love my auntie, she will always be in my heart. Until I see her again what fun we will have. GOD bless us all.##imported-begin##Kimberly Boyd##imported-end##

“ My Aunt Cynthia was a strong, passionate, Christian woman who remained close to us regardless of the numerous miles in between our homes. I truly admired her ability to always see the best in people! She and Uncle George have always showed a sincere interest in my future, encouraging me to trust in my ability to succeed. During my 1st year of college, Aunt Cynthia took time out of a business trip to Washington, DC to make sure I was well fed, to connect me to helpful people nearby (Uncle George's family), and to provide reassurance that if I remain spiritually grounded, I can reach any goal. As the eldest sister, she knew ALL about protection and guidance. Therefore, I cannot think of a better angel I could ask to watch over me and my family until we are blessed to meet her at the pearly gates of Heaven.##imported-begin##Adrean S. “ My Aunt Cynthia was a wonderful, strong, passionate, loving, caring, Christian woman. Her dedication to what and who she loved was and is admirable. Even in sickness she had a heart of faith and giving. I am encouraged today even more to help continue her legacy of encouragement and faithfulness especially within our family. The life she lived spoke for the beautiful soul she was and it was reflected by that bright lovely smile of hers. She is and will be missed but never forgotten. May the peace and joy of our Savior give us continued comfort and strength at this times and the weeks and months to come.##imported-begin##Donna Scott##imported-end##

“ Rose, Kendall, and family:

On behalf of Pastor David L. Roberson and the Mountain Moving Men of New Hope Missionary Baptist Church, we send our sincerely condolences with the loss of your love one. May these scripture give you support during your hour of need:

Then Jesus said, “Come to me, all of you who are weary and carry heavy burdens, and I will give you rest. Take my yoke upon you. Let me teach you, because I am humble and gentle at heart, and you will find rest for your souls. For my yoke is easy to bear, and the burden I give you is light.” Matt. 11:28-30. NLT

This is the year when the LORD God will show kindness to us . . . The LORD has sent me to comfort those who mourn, Isaiah 61:2 NLT

I have told you all this so that you may have peace in me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world.” John 16:33. NLT##imported-begin##Jonathan D. Clark##imported-end##

“ *To Rose & Family*

*We truly hope this finds you well and holding up over the loss of your sister. Remember Matthew 5:4 which says "Blessed are those that mourn for they shall be comforted." I hope that you find that comfort in the scriptures and that your faith will guide you during this difficult time. Much Love,

“ It is with deepest sympathy that I express these feelings. Nothing words can say, nothing a friend could do, could make up for the passing of one so dear to you. But it may bring some measure of comfort and relief to know that sympathetic thoughts are with you in your grief. May the comfort of the resurrection hope and the care of Jehovah and his son Jesus, bring peace to your hearts now and through the days ahead. May your tears of sadness turn to smiles as you remember the times shared with Cynthia. 2 Corinthians 1:3, 4; Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##

“ Mary Boone Fresh memories of a fantastic woman began to play since yesterday, that's how I handle my grief. Dear, dear family, she was a wondrous warrior in whom you should be proud. In other words, I miss my cousin Cynthia Jones Johnson and love her too. Now God has something for her to do.

My fondest memory was the day Cynthia, Ruth, Joyce and I sat on the car with raised fist for "Black Power". As Cynthia grew into womanhood, she model the greatest Power of all-The Love of Jesus. Continue to Mary Frances

“ To My Family,

Cynthia was such a major force in our family, that it's hard to imagine going on without her. There has been no other human being who has had a greater influence on my life. When I say she was the angel of this family I mean it from the bottom of my heart... To say that she'll simply be missed is an understatement. Let's honor her memory by using all of our talents to the glory of God every chance we get... Blessings to each of you.##imported-begin##Rose Jones Taylor##imported-end##
