“ *My prayers go out to you and your family. Mz. Dee was a good person. I will always remember her driving that big bus. We had a lot of fun on our road trips when I was @ University of Detroit Mercy. We shared many thoughts and laughter. She always talked about her kids and how proud she is of them. I thank God for bringing her into my life and I will always remember that smile and laugh. One other thing my name is daedra and we both were joined at the hip once we shared names. May MZ. DEE rest in peace because I know she is in a better place.*

*Love,*

“ Well, there are sooo many things I could say about Dee Kemp-Foster. First off, I would like to say that Dee was like the older sister that I never had. Dee, was the one I could talk to when there was no one else to listen to my very complex issues. She was the one who helped me keep my husband in line when they traveled together. I thank you Dee, for helping me to hold it together. I love and miss you already but, one thing I hope to gain from having you in my life is being able to be half the wonderful mother, sister, aunt, cousin, daughter, friend, and mentor that you were. I will live the rest of my days trying to walk the same walk, you walked.

Your Lil Sis,

“ I was saddened today to learn of Deirdre's passing and regret that I could not attend her service as I have been out of town with my family. I can hear her voice calling me "Doc" and will never forget her amazing ability to smile and laugh while waging her curageous personal battle. She will be missed.

“ My prayers are with the family of Deirdre Foster. I love to appreciate Dee for who she is, the greatest person any one could have as a friend and co-worker. Dee, you've fought a good fight, reward time has come. I hurt for the fact that you're gone physically, but I know for the fact that your spirit is still alive with everyone who drove with you. And to know that you're with Jesus is all right with me. Rest in Peace Sweetie. C U up there!##imported-begin##Terrence G. Bennett##imported-end##

“ To Ms. Dee's family,

*I want you to know that you are in my prayers and I know that the good Lord will hold you and keep you and what a great teacher of resiliency and strength we were more than blessed to have in our lives by the name of Deirdre Ann Kemp-Foster. In the short time that I had with her she will always be "my girl" and an inspiration! God Bless you all!##imported-begin##LaTonya Tate##imported-end##*

“ You met this damn thing head on and gave it hell, now you have earned your time in heaven. I just know you are swinging from the clouds & smilin' down on us. I love you- but you already know that. See ya later, girlfriend.

“ My Dearest "Demolition Derby Dee"

New York just isn't New York without you. There was a time when Travel Adventures wouldn't send me to New York without you! Nor would I have wanted to go! Thanks for all you taught me and for the gift of your friendship, I will cherish the memories of our travels together, and forever be inspired by your courage.

I love you Girlfriend. xoxo Jane###imported-begin###Jane Mitri-Gillespie###imported-end###

“ We've had some great times on the road and off, I've missed that, the job has not been the same without you. Even tho I haven't stayed in touch, you have been in my heart and prayers daily... I have always been impressed with how you've consistantly fought this never ending battle with this damn disease...

It's time to rest now, peacefully, painlessly, in the warmth of God's love

I will miss you, girl!
