“ Donna was always a joy to work with. We used to come in contact when she worked for Mike Albert, Student Information. Whenever I needed to get some information or a message to Mike, Donna would always take care of me with the utmost profesionalism and a smile! I know she will be missed by all.

“ Donna my dearest niece. What a surprise. I remember us playing with our Barbie doll for hours at my house back in the sixties and I will forever miss your smiling face, your soft voice and your angelic disposition. You are sorely missed but I get comfort in knowing, without a doubt, that you are truly walking amongst the angels. God bless your soul and rest in peace and tell my brother and the others hi. I love you and miss you....Auntie Bev##imported-begin##Beverly & Freddie Currie##imported-end##

“ *LaToya, don't cry, 'cause God is holding my hand and telling me everything is OK.*

LaToya, God said that I will never want for anything and I will still feel your love all the way up here.

*LaToya, you should see me,
I am walking around visiting with everyone that left before her.*

*LaToya, guess who helps watch over us while we're here,
They are God's Helping Angels!*

*LaToya, I'm not afraid, my mother and brother are here.
They came to me when it was dark and held my hands;
then we went to God's bright light,
where Angels were singing.*

*LaToya, God said, If you feel sad, to remember this;
I'll be the gentle breeze that brushes your face,
the sun is my smile and the rain is me washing away your pain.*

*LaToya, I have to go now.
I send you all my love on the wings of an Angel.*

*Love from your Mommy.##imported-begin##Valerie A.
