“ It seems so sad and she was so young. I'm sorry that I was not aware that her health was not good and I feel bad that I did not know her better. I hope her life was filled with much love and great family and friends. Though I only worked with her a short time and I am retired and no longer in the Detroit area, Donna was a part of the DDOT family and will be missed. Her smile always lit up any room she was in. My heart and prayers go out to her family.##imported-begin##David Bradley##imported-end##

“ Donna, we already miss you tremendously you have been a wonderful friend, sister and positive force in our lives. God blessed us with a friend who would share twenty plus years of laughs, fun, tears and all that life presents. Thank you for caring and sharing... thanks for your consideration and love. Dwayne and you are amazing, charitable friends who we hold dear. The weekend movies, visiting Royal Oak or Union Street... our lives will be missing someone irreplaceable. Rest in Peace and enjoy your custom (angel) wings. Love Vicky, Logan (your Godson) & Pernell

P.S. To the Breeden and Chew families we pray for God to comfort, heal and provide your hearts peace.##imported-begin##Victoria & Pernell Banks##imported-end##
