“ *Hey Greg & Jackie, It is times like these that we look to others around us for the emotional support we need to get through these most difficult times. Everyone will pray for you & many will offer assistance, "just call", but it is also times like these that we oft recognize the shortcomings of those same folk. This is why we MUST trust in the Lord and lean upon Him for the strength that is required, because we know that only that trust & time will ease the burden that's upon you now. May God continue to bless you as you travel this road. Peace...###imported-begin###Edwin & Anita Washington & Fam###imported-end###*

There is nothing more important than family. And there is no one more important to a family than the woman who holds it together through sacrifice, patience, understanding, and above all, love. That woman is MOTHER. You and your family have my most heartfelt sympathy and prayers. May you continue to find strength and perseverance in your unforgettable memories of her.##imported-begin##Damon Blakemore##imported-end##

“ ‘ *Beyond life’s golden sunset, lies a city bright and fair; where our loved ones awaits us, in the land of God’s tomorrow. Tis the place of wondrous beauty, where they know no pain or fear; and where God himself in tenderness, shall wipe away all tears. Tis sweet to think we’ll meet again, where partings are no more; and that the one we loved so well, has only gone before.* **###imported-begin###Marcel Dozier Jr.###imported-end###**
