“ To the Payton Family: You have my deepest love and sympathy in this time of loss in your family. She used to Foster Parent my cousin, Darrell Shirley for many years, and for many years my family have kept in touch with her, although we lost touch in the past few years. She used to go over my mother's home (Barbara Horton - she passed away 6-28-11)), and they kept up on what was going on with Darrell and his family. She was always loving, caring, and was such a humble person that you'd always want to have around. We also got to know that she was a family member of our extended family, the Stringfellows, of which family we are still close and like family. My words of comfort and advice to you all is that you lay all your burdens on our heavenly Father, Jehovah (Psalms 55:22/Psalms 83:18), he will sustain you. And, always remember you can see her again because He promised a resurrection (John 5:28-29), and that this earth will be restored to paradise and the righteous ones will possess it (Psalms 37:29) as He originally planned. I am very sorry that I only heard of Ms. Payton's death just yesterday evening and was unable to attend because of prior commitments. However, I do send my love and will continue to have you all in my prayers. I hope my words have comforted you in some way. I can be reached though Cynthia, or any of the Stringfellow's. Please do have a better day.##imported-begin##Tyra S. Horton##imported-end##
