“ *To the Chandler and Jones Family,*

*Lately, I find myself wishing to go back to those good ole' Sturtevant days. I do miss the connectedness we shared and Mama Dot, of course, was a huge of part of the glue that held us together. I see vividly her burning my hair with the straightening comb or teaching us how to crochet a pot/plant holder. I have missed her and those days for a long time. Our saving grace is to know that she is in a better place, heaven. My love to you all.##imported-begin##Lucinda Brannon Bazile##imported-end##*
